Ex Parte)	

Pursuant to Order No. 2006-105 in Docket No. 2006-16-E issued in this proceeding on February 15, 2006, Carolina Power & Light Company d/b/a Progress Energy Carolinas, Inc. (the "Company") reports that on January 15, 2009, it issued, sold and delivered to Deutsche Bank Securities Inc. and Goldman, Sachs & Co., as Agents, \$600,000,000 principal amount of the Company's First Mortgage Bonds, 5.30% Series due 2019 (the "2019 Bonds") for the price of 99.908% of the principal amount thereof. The commission paid to the underwriters of the 2019 Bonds was \$3,900,000. The net proceeds, before expenses, realized from the issuance, sale and delivery of the 2019 Bonds were \$595,548,000. The Company expects to use the net proceeds to retire the \$400,000,000 outstanding balance of the Company's 5.95% Senior Notes due March 1, 2009 and to repay outstanding commercial paper balances. The Company expects to use the remaining net proceeds for general corporate purposes. Expenses incurred in connection with the issuance and sale of the Bonds were estimated to be \$700,000. Immediately following the subject issuance, there were \$75,000,000 of securities available for issuance pursuant to Order No. 2006-105 in Docket No. 2006-16-E. The Company has the authority to issue an additional \$3,025,000,000 of securities pursuant to Order No. 2009-33 that was issued in Docket No. 2008-427-E on January 20, 2009.

The Company files herewith copies of the Seventy-Sixth Supplemental Indenture, dated as of January 1, 2009, and the Underwriting Agreement, dated January 8, 2009, in the final forms in which the same were executed and delivered, marked Exhibits A and B respectively.

TOGETHER WITH all and singular the tenements, hereditaments and appurtenances belonging or in anywise appertaining to the aforesaid property or any part thereof, with the reversion and reversions, remainder and remainders and (subject to the provisions of Section 57 of the Mortgage) the tolls, rents, revenues, issues, earnings, income, product and profits thereof, and all the estate, right, title and interest and claim whatsoever, at law as well as in equity, which the Company now has or may hereafter acquire in and to the aforesaid property and franchises and every part and parcel thereof.

IT IS HEREBY AGREED by the Company that, subject to the provisions of Section 87 of the Mortgage, all the property, rights and franchises acquired by the Company after the date hereof (except any herein or in the Mortgage, as heretofore supplemented, expressly excepted) shall be and are as fully granted and conveyed hereby and as fully embraced within the lien hereof and the lien of the Mortgage as if such property, rights and franchises were now owned by the Company and were specifically described herein and conveyed hereby.

PROVIDED THAT the following are not and are not intended to be now or hereafter granted, bargained, sold, released, conveyed, assigned, transferred, mortgaged, pledged, set over or confirmed hereunder and are hereby expressly excepted from the lien and operation of this Seventy-sixth Supplemental Indenture and from the lien and operation of the Mortgage, namely: (1) cash, shares of stock and obligations (including bonds, notes and other securities) not hereafter specifically pledged, paid, deposited or delivered under the Mortgage or covenanted so to be; (2) merchandise, equipment, materials or supplies held for the purpose of sale in the usual course of business and fuel, oil and similar materials and supplies consumable in the operation of any properties of the Company; rolling stock, buses, motor coaches, vehicles and automobiles; (3) bills, notes and accounts receivable, and all contracts, leases and operating agreements not specifically pledged under the Mortgage, as heretofore supplemented, or this Seventy-sixth Supplemental Indenture or covenanted so to be; (4) electric energy and other materials or products generated, manufactured, produced or purchased by the Company for sale, distribution or use in the ordinary course of its business; and (5) any property and rights heretofore released from the lien of the Mortgage; provided, however, that the property and rights expressly excepted from the lien and operation of the Mortgage and this Seventy-sixth Supplemental Indenture in the above subdivisions (2) and (3) shall (to the extent permitted by law) cease to be so excepted in the event and as of the date that either or both of the Trustees or a receiver or trustee shall enter upon and take possession of the Mortgaged and Pledged Property in the manner provided in Article XII of the Mortgage by reason of the occurrence of a Default as defined in said Article XII.

TO HAVE AND TO HOLD all such properties, real, personal and mixed, granted, bargained, sold, released, conveyed, assigned, transferred, mortgaged, pledged, set over or confirmed by the Company as aforesaid, or intended so to be, unto the Trustees, their successors and assigns forever.

AND IT IS HEREBY COVENANTED by the Company that all the terms, conditions, provisos, covenants and provisions contained in the Mortgage, as heretofore supplemented, shall affect and apply to the property hereinbefore described and conveyed and to the estate, rights, obligations and duties of the Company and the Trustees and the beneficiaries of the trust with respect to said property, and to the Trustees and their successors as Trustees of said property in the same manner and with the same effect as if the said property had been owned by the Company at

the time of the execution of the Mortgage and had been specifically and at length described in and conveyed to the Trustees by the Mortgage as a part of the property therein stated to be conveyed.

The Company further covenants and agrees to and with the Trustees and their successor or successors in such trust under the Mortgage as follows:

ARTICLE I

EIGHTY-SEVENTH SERIES OF BONDS

SECTION 1(A). There shall be a series of bonds designated "5.30% Series due 2019" (herein sometimes referred to as the "Eighty-seventh Series"), each of which shall also bear the descriptive title "First Mortgage Bond", and the form thereof, which shall be established by Resolution of the Board of Directors of the Company, shall contain suitable provisions with respect to the matters hereinafter in this Section specified. Bonds of the Eighty-seventh Series shall be initially issued in the aggregate principal amount of \$600,000,000, mature on January 15, 2019, bear interest at the rate of 5.30% per annum, payable from January 15, 2009, if the date of said bonds is on or prior to January 15, 2009, or, if the date of said bonds is after January 15, 2009, from the July 15 or January 15 next preceding the date of said bonds, and thereafter semi-annually on January 15 and July 15 of each year, be issued as fully registered bonds in the denominations of Two Thousand Dollars and, at the option of the Company, in any integral multiple of One Thousand Dollars in excess thereof (the exercise of such option to be evidenced by the execution and delivery thereof) and be dated as in Section 10 of the Mortgage provided, the principal of and interest on each said bond to be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts.

Interest on bonds of the Eighty-seventh Series will be computed on the basis of a 360-day year comprised of twelve 30-day months. If a due date for the payment of interest or principal falls on a day that is not a business day, then the payment will be made on the next succeeding business day, and no interest will accrue on the amounts payable for the period from and after the original due date and until the next business day. The term "business day" means any day other than a Saturday or Sunday or day on which banking institutions in The City of New York are required or authorized to close.

(B) The bonds of the Eighty-seventh Series shall be redeemable at the option of the Company or with the Proceeds of Released Property in whole at any time, or in part from time to time, prior to maturity, upon notice as provided in Sections 52 and 54 of the Mortgage (given by mail at least 30 days and not more than 90 days prior to the date fixed for redemption (the "Redemption Date")), at a redemption price (sometimes hereinafter referred to as the "Make-Whole Redemption Price") equal to the greater of (i) 100% of the principal amount of the bonds then outstanding to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon from the Redemption Date to the maturity date, computed by discounting such payments, in each case, to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points, plus in each case accrued interest on the principal amount thereof to the Redemption Date. On and after the Redemption Date, unless the Company defaults in the payment of the Make-Whole Redemption Price and interest accrued thereon to such date, interest on the bonds of the Eighty-seventh Series, or the portions of them so called for redemption, shall cease to accrue.

"Treasury Rate" means, with respect to any Redemption Date, the rate per annum equal to the semiannual equivalent yield to actual or interpolated maturity (on a day count basis) of the

Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

"Comparable Treasury Issue" means the United States Treasury security or securities selected by an Independent Investment Banker and having an actual or interpolated maturity comparable to the remaining term of the bonds of the Eighty-seventh Series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the bonds of the Eighty-seventh Series.

"Comparable Treasury Price" means, with respect to any Redemption Date, the average of the Reference Treasury Dealer Quotations for such Redemption Date.

"Independent Investment Banker," means one of the Reference Treasury Dealers appointed by the Company.

"Reference Treasury Dealer," means (i) either Deutsche Bank Securities Inc. or Goldman, Sachs & Co. and (ii) one additional primary U.S. Government securities dealer in The City of New York (each a "primary treasury dealer") selected by the Company. If any Reference Treasury Dealer shall cease to be a primary treasury dealer, the Company will substitute another primary treasury dealer for that dealer.

"Reference Treasury Dealer Quotations," means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 3:30 p.m., New York time, on the third business day preceding such Redemption Date.

In case of a redemption of only a part of the bonds of the Eighty-seventh Series, the Corporate Trustee shall draw by lot, in such manner as it deems appropriate, the particular bonds of the Eighty-seventh Series, or portions of them, to be redeemed.

The Company shall deliver to the Corporate Trustee promptly upon its calculation thereof, but in any event prior to any Redemption Date for the bonds of the Eighty-seventh Series, a Treasurer's Certificate setting forth its calculation of the Make-Whole Redemption Price applicable to such redemption. The Corporate Trustee shall be under no duty to inquire into, may conclusively presume the correctness of, and shall be fully protected in relying upon the Company's calculation of any Make-Whole Redemption Price of the bonds of the Eighty-seventh Series.

In lieu of stating the Make-Whole Redemption Price, notices of redemption of the bonds of the Eighty-seventh Series shall state substantially the following: "The redemption price of the bonds to be redeemed shall equal the greater of (i) 100% of the principal amount of the bonds then outstanding to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon from the Redemption Date to the maturity date, computed by discounting such payments, in each case, to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined in the Seventy-sixth Supplemental Indenture) plus 50 basis points, plus in each case accrued interest on the principal amount thereof to the Redemption Date."

Except as provided herein, Article X of the Mortgage, as heretofore supplemented, shall apply to redemptions of bonds of the Eighty-seventh Series.

(C) At the option of the registered owner, any bonds of the Eighty-seventh Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations. The bonds of the Eighty-seventh Series may bear such legends as may be necessary to comply with any law or with any rules or regulations made pursuant thereto or with the rules or regulations of any stock exchange or to conform to usage or agreement with respect thereto.

Bonds of the Eighty-seventh Series shall be transferable upon the surrender thereof for cancellation, together with a written instrument of transfer in form approved by the registrar duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York.

Upon any exchange or transfer of bonds of the Eighty-seventh Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge required to be paid by the Company, as provided in Section 12 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any exchange or transfer of bonds of said Series.

(D) The bonds of the Eighty-seventh Series shall be issued in registered form without coupons and shall be issued initially in the form of one or more global bonds (hereinafter sometimes each such global bond referred to as an "Eighty-seventh Series Global Bond") to or on behalf of The Depository Trust Company (hereinafter sometimes referred to as "DTC"), as depository therefor, and registered in the name of such depository or its nominee. Any bonds of the Eighty-seventh Series to be issued or transferred to, or to be held by or on behalf of DTC as such depository or such nominee (or any successor of such depository or nominee) for such purpose shall bear the depository legends as required or otherwise agreed to by the Corporate Trustee and the Company, and in the case of a successor depository, such legend or legends as such depository and/or the Company shall require and to which each shall agree, in each case such agreement to be confirmed in writing to the Corporate Trustee. Notwithstanding any other provision in this Seventy-sixth Supplemental Indenture, payment of interest on the bonds of the Eighty-seventh Series may be made at the option of the Company by check mailed to the registered holders thereof at their registered address, and, that with respect to an Eighty-seventh Series Global Bond, the Company may make payments of principal of, the Make-Whole Redemption Price, if applicable, and interest on such Eighty-seventh Series Global Bond pursuant to and in accordance with such arrangements as are agreed upon by the Company and the depository for such Eighty-seventh Series Global Bond.

Except as otherwise provided by this Seventy-sixth Supplemental Indenture, an Eighty-seventh Series Global Bond may be transferred, in whole but not in part and in the manner provided in the Mortgage, only to a nominee of the depository for such Eighty-seventh Series Global Bond, or to the depository, or to a successor depository for such Eighty-seventh Series Global Bond selected or approved by the Company, or to a nominee of such successor depository.

If at any time the depository for an Eighty-seventh Series Global Bond notifies the Company that it is unwilling or unable to continue as the depository for such Eighty-seventh Series Global Bond or if at any time the depository for an Eighty-seventh Series Global Bond shall no longer be eligible or in good standing under any applicable statute or regulation, the Company shall appoint a successor depository with respect to such Eighty-seventh Series Global Bond. If a

successor depositary for such Eighty-seventh Series Global Bond is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company will execute, and the Corporate Trustee, upon receipt of a Company request for the authentication and delivery of bonds of the Eighty-seventh Series in the form of definitive certificates in exchange for such Eighty-seventh Series Global Bond, will authenticate and deliver, without service charge, bonds of the Eighty-seventh Series in the form of definitive certificates of like tenor and terms in an aggregate principal amount equal to the principal amount of the Eighty-seventh Series Global Bond in exchange for such Eighty-seventh Series Global Bond. Such bonds of the Eighty-seventh Series will be issued to and registered in the name of such person or persons as are specified by the depositary.

The Company may at any time and in its sole discretion determine that any bonds of the Eighty-seventh Series issued or issuable in the form of one or more Eighty-seventh Series Global Bonds shall no longer be represented by such Eighty-seventh Series Global Bond or Bonds. In any such event the Company will execute, and the Corporate Trustee, upon receipt of a Company order for the authentication and delivery of bonds of the Eighty-seventh Series in the form of definitive certificates in exchange in whole or in part for such Eighty-seventh Series Global Bond or Bonds, will authenticate and deliver, without service charge, to each person specified by the depositary, bonds of the Eighty-seventh Series in the form of definitive certificates of like tenor and terms in an aggregate principal amount equal to the principal amount of such Eighty-seventh Series Global Bond or the aggregate principal amount of such Eighty-seventh Series Global Bonds in exchange for such Eighty-seventh Series Global Bond or Bonds.

If the Company so elects in a Treasurer's Certificate, the depositary may surrender bonds of the Eighty-seventh Series issued in the form of an Eighty-seventh Series Global Bond in exchange in whole or in part for bonds of the Eighty-seventh Series in the form of definitive certificates of like tenor and terms on such terms as are acceptable to the Company and such depositary. Thereupon the Company shall execute, and the Corporate Trustee shall authenticate and deliver, without service charge, (i) to each person specified by such depositary a new bond or bonds of the Eighty-seventh Series of like tenor and terms and any authorized denomination as requested by such person in aggregate principal amount equal to and in exchange for such person's beneficial interest in the Eighty-seventh Series Global Bond; and (ii) to such depositary a new Eighty-seventh Series Global Bond of like tenor and terms and in an authorized denomination equal to the difference, if any, between the principal amount of the surrendered Eighty-seventh Series Global Bond and the aggregate principal amount of bonds of the Eighty-seventh Series delivered to holders thereof.

In any exchange provided for in any of the preceding three paragraphs, the Company shall execute and the Corporate Trustee shall authenticate and deliver bonds of the Eighty-seventh Series in the form of definitive certificates in authorized denominations. Upon the exchange of the entire principal amount of an Eighty-seventh Series Global Bond for bonds of the Eighty-seventh Series in the form of definitive certificates, such Eighty-seventh Series Global Bond shall be canceled by the Corporate Trustee. Except as provided in the immediately preceding paragraph, bonds of the Eighty-seventh Series issued in exchange for an Eighty-seventh Series Global Bond shall be registered in such names and in such authorized denominations as the depositary for such Eighty-seventh Series Global Bond, acting pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Corporate Trustee. Provided that the Company and the Corporate Trustee have so agreed, the Corporate Trustee shall deliver such bonds of the Eighty-seventh Series to the persons in whose names the bonds of the Eighty-seventh Series are so to be registered.

Any endorsement of an Eighty-seventh Series Global Bond to reflect the principal amount thereof, or any increase or decrease in such principal amount, shall be made in such manner and by such person or persons as shall be specified in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the depository with respect to such Eighty-seventh Series Global Bond or in a Company request. Subject to the terms of the Mortgage, the Corporate Trustee shall deliver and redeliver any such Eighty-seventh Series Global Bond in the manner and upon instructions given by the person or persons specified in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the depository with respect to such Eighty-seventh Series Global Bond or in any applicable Company request. If a Company request is so delivered, any instructions by the Company with respect to such Eighty-seventh Series Global Bond contained therein shall be in writing but need not be accompanied by or contained in a Treasurer's Certificate and need not be accompanied by an opinion of counsel.

The depository or, if there be one, its nominee, shall be the holder of an Eighty-seventh Series Global Bond for all purposes under the Mortgage and the bonds of the Eighty-seventh Series and beneficial owners with respect to such Eighty-seventh Series Global Bond shall hold their interests pursuant to applicable procedures of such depository. The Company, the Corporate Trustee, any bond registrar, any paying agent and any other agent of the Company or the Corporate Trustee shall be entitled to deal with such depository for all purposes of the Mortgage relating to such Eighty-seventh Series Global Bond (including the payment of principal, the Make-Whole Redemption Price, if applicable, and interest and the giving of instructions or directions by or to the beneficial owners of such Eighty-seventh Series Global Bond as the sole holder of such Eighty-seventh Series Global Bond and shall have no obligations to the beneficial owners thereof (including any direct or indirect participants in such depository)). None of the Company, the Corporate Trustee, any paying agent, any bond registrar or any other agent of the Company or the Corporate Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a beneficial owner in or pursuant to any applicable letter of representations or other arrangement or transaction entered into with, or procedures of, the depository with respect to such Eighty-seventh Series Global Bond or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests, or for any acts or omissions of a depository.

The laws of South Carolina provide that in any real estate foreclosure proceeding a defendant against whom a personal judgment is taken or asked may within thirty days after the sale of the mortgaged property apply to the court for an order of appraisal. The statutory appraisal value as approved by the court would be substituted for the high bid and may decrease the amount of any deficiency owing in connection with the transaction. THE COMPANY HEREBY WAIVES AND RELINQUISHES THE STATUTORY APPRAISAL RIGHTS, WHICH MEANS THE HIGH BID AT THE JUDICIAL FORECLOSURE SALE WILL BE APPLIED TO THE DEBT REGARDLESS OF ANY APPRAISED VALUE OF THE MORTGAGED PROPERTY.

January 8, 2009

To the Representative named in Schedule II hereto
of the Underwriters named in Schedule II hereto

Dear Ladies and Gentlemen:

The undersigned Carolina Power & Light Company d/b/a Progress Energy Carolinas, Inc. (the "Company") hereby confirms its agreement with each of the several Underwriters hereinafter named as follows:

1. Underwriters and Representative. The term "Underwriters" as used in this Underwriting Agreement (the "Agreement") shall be deemed to mean the firm or the several firms named in Schedule II hereto and any underwriter substituted as provided in paragraph 6, and the term "Underwriter" shall be deemed to mean any one of such Underwriters. If the firm or firms listed as Representatives in Schedule II hereto (individually and collectively, the "Representative") are the only firm or firms serving as underwriters, then the terms "Underwriters" and "Representative," as used herein, shall each be deemed to refer to such firm or firms. Each Representative represents jointly and severally that they have been authorized by the Underwriters to execute this Agreement on their behalf and to act for them in the manner herein provided. All obligations of the Underwriters hereunder are several and not joint. If more than one firm is named as Representative in Schedule II hereto, any action under or in respect of this Agreement may be taken by such firms jointly as the Representative, or by one of the firms acting on behalf of the Representative, and such action will be binding upon all the Underwriters.

2. Description of Securities. The Company proposes to issue and sell its First Mortgage Bonds of the designation, with the terms and in the amount specified in Schedule I and Schedule II hereto (the "Securities"), under its Mortgage and Deed of Trust, dated as of May 1, 1940, with The Bank of New York Mellon (formerly Irving Trust Company) and Frederick G. The Registration Statement was effective on November 18, 2008. As of the date hereof, the Company has not sold any Registered Securities. The term "Registration Statement" shall be deemed to include all amendments made by the Company prior to the Applicable Time (defined below) and all documents filed by the Company with the Commission and incorporated by reference therein (the "Incorporated Documents"). The Basic Prospectus included in the Registration Statement, as supplemented by a preliminary prospectus supplement, dated January 8, 2009, relating to the Securities, and all prior amendments or supplements thereto made by the Company (other than amendments or supplements relating to the Registered Securities other than the Securities), including the Incorporated Documents, is hereinafter referred to as the "Preliminary Prospectus." The Basic Prospectus included in the Registration Statement, as it is to be supplemented by a prospectus supplement, dated on the date hereof, substantially in the form delivered to the Representative prior to the execution hereof, relating to the Securities (the "Prospectus Supplement") and all prior amendments or supplements thereto (other than amendments or supplements relating to securities of the Company other than the Securities), including the Incorporated Documents, is hereinafter referred to as the "Prospectus." Any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement or the Prospectus shall be deemed to refer to and include any post-effective amendment to the Registration Statement, any prospectus supplement relating to the Securities filed with the Commission pursuant to Rule 424(b) under the Securities Act and the filing of any document under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), deemed to be incorporated therein after the date hereof and prior to the termination of the offering of the Securities by the Underwriters; and any references herein to the terms "Registration Statement" or "Prospectus" at a date after the filing of the Prospectus Supplement shall be deemed to refer to the Registration Statement or the Prospectus, as the case may be, as each may be amended or supplemented prior to such date.

For purposes of this Agreement, the "Applicable Time" is 12:45 p.m. (New York City time) on the date of this Agreement; the information and documents listed in Schedule III hereto, taken together, as of the Applicable Time are collectively referred to as the "Pricing Disclosure Package"; and all references to the Registration Statement, the Pricing Disclosure Package or the Prospectus or any amendment or supplement thereto

shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system ("EDGAR").

(b) The Registration Statement, at each time and date it became, or is deemed to have become, effective, complied, and the Registration Statement, the Prospectus and the Mortgage, as of the date hereof and at the Closing Date, will comply, in all material respects, with the applicable provisions of the Securities Act and the Trust Indenture Act of 1939, as amended (the "1939 Act"), and the applicable instructions, rules and regulations of the Commission thereunder; the Registration Statement, at each time and date it became, or is deemed to have become, effective, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; the Pricing Disclosure Package as of the Applicable Time did not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; and the Prospectus, as of its date and at the Closing Date, will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the foregoing representations and warranties in this subparagraph (b) shall not apply to statements or omissions made in reliance upon and in conformity with information furnished herein or in writing to the Company by the Representative or by or on behalf of any Underwriter through the Representative expressly for use in the Prospectus or to any statements in or omissions from the Statements of Eligibility ("Forms T-1 and T-2") of the Trustees. The Incorporated Documents, at the time they were each filed with the Commission, complied in all material respects with the applicable requirements of the Exchange Act and the instructions, rules and regulations of the Commission thereunder, and any documents so filed and incorporated by reference subsequent to the date hereof and prior to the termination of the offering of the Securities by the Underwriters will, at the time they are each filed with the Commission, comply in all material respects with the requirements of the Exchange Act and the instructions, rules and regulations of the Commission thereunder; and, when read together with the Registration Statement, the Pricing Disclosure Package and the Prospectus, none of such documents included or includes or will include any untrue statement of a material fact or omitted or omits or will omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. (c) With respect to the Registration Statement, (i) the Registration Statement is an "automatic shelf registration statement" (as defined in Rule 405 under the Securities Act), (ii) the Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the Securities Act objecting to the use of the automatic shelf registration statement and (iii) the conditions for use of Form S-3, as set forth in the General Instructions thereof, have been satisfied.

(d) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of North Carolina; has corporate power and authority to own, lease and operate its properties and to conduct its business as contemplated under this Agreement and the other agreements to which it is a party; and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify would not have a material adverse effect on the business, properties, results of operations or financial condition of the Company.

(e) The historical financial statements incorporated by reference in the Registration Statement, the Pricing Prospectus and the Prospectus present fairly the financial condition and operations of the Company at the respective dates or for the respective periods to which they apply; such financial statements have been prepared in each case in accordance with generally accepted accounting principles consistently applied throughout the periods involved, except that the quarterly financial statements, if any, incorporated by reference from any Quarterly Reports on Form 10-Q contain condensed footnotes prepared in accordance with applicable Exchange Act rules and regulations; and Deloitte & Touche LLP, which has audited the financial statements is an independent registered public accounting firm as required by the Securities Act or the Exchange Act and the rules and regulations of the Commission thereunder.

(f) Except as reflected in, or contemplated by, the Registration Statement and the Pricing Disclosure Package, since the respective dates as of which information is given in the Registration Statement and the Pricing Prospectus, and prior to the Closing Date, (i) there has not been any material adverse change in the business, properties, results of operations or financial condition of the Company, (ii) there has not been any material transaction entered into by the Company other than transactions contemplated by the Registration Statement and the Pricing Prospectus or transactions arising in the ordinary course of business and (iii) the Company has no material contingent obligation that is not disclosed in the Pricing Disclosure Package and the Prospectus that could likely result in a material adverse change in the business, properties, results of operations or financial condition of the Company.

(g) The Company has full power and authority to execute, deliver and perform its obligations under this Agreement. The execution and delivery of this Agreement, the consummation of the transactions herein contemplated and the fulfillment of the terms hereof on the part of the Company to be fulfilled have been duly authorized by all necessary corporate action of the Company in accordance with the provisions of its restated charter (the "Charter"), by-laws and applicable law.

(h) The consummation of the transactions herein contemplated and the fulfillment of the terms hereof will not (i) result in a breach of any of the terms or provisions of, or constitute a default under, the Charter or the Company's by-laws or (ii) result in a breach of any terms or provisions of, or constitute a default under, any applicable law or any indenture, mortgage, deed of trust or other material agreement or instrument to which the Company is now a party or any judgment, order, writ or decree

of any government or governmental authority or agency or court having jurisdiction over the Company or any of its assets, properties or operations that, in the case of any such breach or default, would have a material adverse effect on the business, properties, results of operations or financial condition of the Company.

(i) The Securities conform in all material respects to the description contained in the Pricing Disclosure Package and the Prospectus.

(j) The Company has no subsidiaries that meet the definition of "significant subsidiary" as defined in Section 210.1-02(w) of Regulation S-X promulgated under the Securities Act.

(k) The Mortgage (i) has been duly authorized, executed and delivered by the Company and, assuming due authorization, execution and delivery of the Seventy-sixth Supplemental Indenture by the Trustees, constitutes a valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to (A) applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or similar laws affecting creditors' rights generally and (B) general principles of equity and any implied covenant of good faith and fair dealing (regardless of whether such enforceability is considered in a proceeding at law or in equity and except for the effect on enforceability of federal or state law limiting, delaying or prohibiting the making of payments outside the United States); *provided, however*, that certain remedies, waivers and other provisions of the Mortgage may not be enforceable, but such unenforceability will not render the Mortgage invalid as a whole or affect the judicial enforcement of (x) the obligation of the Company to repay principal, together with the interest thereon as provided in the Securities or (y) the rights of the Trustees to exercise their right to foreclose under the Mortgage; and (ii) conforms in all material respects to the description thereof in the Pricing Disclosure Package and the Prospectus. The Mortgage (including the Seventy-sixth Supplemental Indenture upon due execution by the Company and the Trustees in accordance with the Mortgage) has been qualified under the 1939 Act.

(l) The Securities have been duly authorized by the Company and, when authenticated in the manner provided for in the Mortgage and delivered against payment of the required consideration therefor, will constitute valid and legally binding obligations of the Company, entitled to the benefits of the Mortgage enforceable against the Company in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or similar laws affecting creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity and except for the effect on enforceability of federal or state law limiting, delaying or prohibiting the making of payments outside the United States).

(m) The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "1940 Act").

(n) Except as described in or contemplated by the Pricing Disclosure Package and the Prospectus, there are no pending actions, suits or proceedings (regulatory or

otherwise) against or affecting the Company or its properties that are likely in the aggregate to result in any material adverse change in the business, properties, results of operations or financial condition of the Company, or that are likely in the aggregate to materially and adversely affect the Mortgage, the Securities or the consummation of this Agreement or the transactions contemplated herein or therein.

(o) No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Company of its obligations hereunder in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the transactions herein contemplated or for the due execution, delivery or performance of the Mortgage by the Company, except such as have already been made or obtained or as may be required under the Securities Act or state securities laws and except for the qualification of the Seventy-sixth Supplemental Indenture under the 1939 Act.

4. Purchase and Sale: Manner of Sale.

(a) On the basis of the representations, warranties and covenants herein contained, but subject to the terms and conditions herein set forth, the Company agrees to sell to each of the Underwriters, severally and not jointly, and each such Underwriter agrees, severally and not jointly, to purchase from the Company, the respective principal amount of Securities set forth opposite the name of such Underwriter in Schedule II hereto at the purchase price set forth in Schedule II hereto.

(b) The Underwriters agree to make promptly a bona fide public offering of the Securities to the public for sale as set forth in the Pricing Disclosure Package, subject, however, to the terms and conditions of this Agreement. The Underwriters agree that the information that they have presented to investors at or prior to the execution of this Agreement is consistent in all material respects with the information that is contained in the Pricing Disclosure Package.

(c) Each Underwriter, severally and not jointly, represents, warrants and agrees that (i) it has complied and will comply with all applicable provisions of the Financial Services and Markets Act 2000 (the "FSMA") with respect to anything done by it in relation to the Securities in, from or otherwise involving the United Kingdom; and (ii) it has only communicated, or caused to be communicated, and will only communicate, or cause to be communicated, any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of the Securities in circumstances in which Section 21(1) of the FSMA does not apply to the Company.

(d) In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State"), each Underwriter, severally and not jointly, represents, warrants and agrees that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "Relevant Implementation Date") it has not made and will

not make an offer of Securities to the public in that Relevant Member State prior to the publication of a prospectus in relation to the Securities which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive, except that it may, with effect from and including the Relevant Implementation Date, make an offer of Securities to the public in that Relevant Member State at any time:

(i) to legal entities which are authorized or regulated to operate in the financial markets or, if not so authorized or regulated, whose corporate purpose is solely to invest in securities;

(ii) to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;

(iii) to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the Representatives for any such offer; or

(iv) in any other circumstances falling within Article 3(2) of the Prospectus Directive;

provided that no such offer of Securities shall result in a requirement for the publication by the Company or any Underwriter of a prospectus pursuant to Article 3 of the Prospectus Directive (or supplemental prospectus pursuant to Article 16 of the Prospectus Directive).

For the purposes of this provision, the expression of an "offer of Securities to the public" in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Securities, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State and the term "Prospectus Directive" means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

5. Free Writing Prospectuses.

(a) The Company represents and agrees that, without the prior consent of the Representative, it has not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the Act, other than a Permitted Free Writing Prospectus; each Underwriter represents and agrees that, without the prior consent of the Company and the Representative, it has not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus," as defined in Rule 405 under the Act, other than a Permitted Free Writing Prospectus or a free writing prospectus that is not required to be filed by the

Company pursuant to Rule 433 under the Securities Act. Any such free writing prospectus the use of which is consented to by the Company and the Representative is referred to herein as a "Permitted Free Writing Prospectus." The only Permitted Free Writing Prospectus as of the time of this Agreement is the final term sheet referred to in paragraph 5(b) below.

(b) The Company agrees to file a final term sheet, in the form of Schedule I hereto and approved by the Representative pursuant to Rule 433(d) under the Securities Act within the time period prescribed by such Rule.

(c) The Company and the Underwriters have complied and will comply with the requirements of Rule 164 and Rule 433 under the Securities Act applicable to any free writing prospectus, including timely Commission filing where required and legending.

(d) The Company agrees that if at any time following issuance of a Permitted Free Writing Prospectus any event occurred or occurs as a result of which such Permitted Free Writing Prospectus would conflict in any material respect with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances then prevailing, not misleading, the Company will give prompt notice thereof to the Representative and, if requested by the Representative, will prepare and furnish without charge to each Underwriter a Permitted Free Writing Prospectus or other document which will correct such conflict, statement or omission; *provided, however*, that this representation and warranty shall not apply to any statements or omissions in a Permitted Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter through the Representative expressly for use therein.

6. Time and Place of Closing; Default of Underwriters.

(a) Payment for the Securities shall be made at the direction of the Company against delivery of the Securities at the office of The Bank of New York Mellon, Corporate Trust Department, 101 Barclay Street, Suite 8W, New York, New York, 10286 or such other place, time and date as the Representative and the Company may agree. Such delivery and payment shall occur at or about 11:00 A.M. on January 15, 2009, and is herein called the "Closing Date." Payment for the Securities shall be by wire transfer of immediately available funds against delivery to The Depository Trust Company or to The Bank of New York Mellon, as custodian for The Depository Trust Company, in fully registered global form registered in the name of CEDE & Co., as nominee for The Depository Trust Company, for the respective accounts specified by the Representative not later than the close of business on the business day prior to the Closing Date or such other date and time not later than the Closing Date as agreed by The Depository Trust Company or The Bank of New York Mellon. For the purpose of expediting the checking of the certificates by the Representative, the Company agrees to make the Securities available to the Representative not later than 3:00 P.M. New York City time, on the last

full business day prior to the Closing Date at said office of The Bank of New York Mellon.

(b) If one or more Underwriters shall, for any reason other than a reason permitted hereunder, fail to take up and pay for the principal amount of the Securities to be purchased by such one or more Underwriters, the Company shall immediately notify the Representative, and the non-defaulting Underwriters shall be obligated to take up and pay for (in addition to the respective principal amount of the Securities set forth opposite their respective names in Schedule II hereto) the principal amount of Securities that such defaulting Underwriter or Underwriters failed to take up and pay for, up to a principal amount thereof equal to, in the case of each such remaining Underwriter, 10% of the principal amount of all Securities. Each non-defaulting Underwriter shall do so on a pro-rata basis according to the amounts set forth opposite the name of such non-defaulting Underwriter in Schedule II hereto, and such non-defaulting Underwriters shall have the right, within 24 hours of receipt of such notice, either to take up and pay for (in such proportion as may be agreed upon among them), or to substitute another Underwriter or Underwriters, satisfactory to the Company, to take up and pay for the remaining principal amount of the Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase. If any unpurchased Securities still remain, then the Company or the Representative shall be entitled to an additional period of 24 hours within which to procure another party or parties, members of the Financial Industry Regulatory Authority, Inc. (the "Authority") (or if not members of the Authority, who are not eligible for membership in the Authority and who agree (i) to make no sales within the United States, its territories or its possessions or to persons who are citizens thereof or residents therein and (ii) in making sales to comply with the Authority's Conduct Rules) and satisfactory to the Company, to purchase or agree to purchase such unpurchased Securities on the terms herein set forth. In any such case, either the Representative or the Company shall have the right to postpone the Closing Date for a period not to exceed three full business days from the date agreed upon in accordance with this paragraph 6, in order that the necessary changes in the Registration Statement and Prospectus and any other documents and arrangements may be effected. If (i) neither the non-defaulting Underwriters nor the Company has arranged for the purchase of such unpurchased Securities by another party or parties as above provided and (ii) the Company and the non-defaulting Underwriters have not mutually agreed to offer and sell the Securities other than the unpurchased Securities, then this Agreement shall terminate without any liability on the part of the Company or any Underwriter (other than an Underwriter that shall have failed or refused, in accordance with the terms hereof, to purchase and pay for the principal amount of the Securities that such Underwriter has agreed to purchase as provided in paragraph 4 hereof), except as otherwise provided in paragraph 7 and paragraph 8 hereof.

7. Covenants of the Company. The Company covenants with each Underwriter that:

(a) As soon as reasonably possible after the execution and delivery of this Agreement, the Company will file the Prospectus with the Commission pursuant to Rule 424 under the Securities Act ("Rule 424"), setting forth, among other things, the necessary information with respect to the terms of offering of the Securities and make any other required filings pursuant to Rule 433 under the Securities Act. Upon request,

the Company will promptly deliver to the Representative and to counsel for the Underwriters, to the extent not previously delivered, one fully executed copy or one conformed copy, certified by an officer of the Company, of the Registration Statement, as originally filed, and of all amendments thereto, if any, heretofore or hereafter made (other than those relating solely to Registered Securities other than the Securities), including any post-effective amendment (in each case including all exhibits filed therewith and all documents incorporated therein not previously furnished to the Representative), including signed copies of each consent and certificate included therein or filed as an exhibit thereto, and will deliver to the Representative for distribution to the Underwriters as many conformed copies of the foregoing (excluding the exhibits, but including all documents incorporated therein) as the Representative may reasonably request. The Company will also send to the Underwriters as soon as practicable after the date of this Agreement and thereafter from time to time as many copies of the Prospectus and the Preliminary Prospectus as the Representative may reasonably request for the purposes required by the Securities Act.

(b) During such period (not exceeding nine months) after the commencement of the offering of the Securities as the Underwriters may be required by law to deliver a Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act), if any event relating to or affecting the Company, or of which the Company shall be advised in writing by the Representative shall occur, which in the Company's reasonable opinion (after consultation with counsel for the Representative) should be set forth in a supplement to or an amendment of the Prospectus in order to make the Prospectus not misleading in the light of the circumstances when it is delivered to a purchaser (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act), or if it is necessary to amend the Prospectus to comply with the Securities Act, the Company will forthwith at its expense prepare, file with the Commission and furnish to the Underwriters and dealers named by the Representative a reasonable number of copies of a supplement or supplements or an amendment or amendments to the Prospectus that will supplement or amend the Prospectus so that as supplemented or amended it will comply with the Securities Act and will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances when the Prospectus is delivered to a purchaser, not misleading. In case any Underwriter is required to deliver a Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) after the expiration of nine months after the commencement of the offering of the Securities, the Company, upon the request of the Representative, will furnish to the Representative, at the expense of such Underwriter, a reasonable quantity of a supplemented or amended prospectus, or supplements or amendments to the Prospectus, complying with Section 10(a) of the Securities Act.

(c) The Company will make generally available to its security holders, as soon as reasonably practicable, but in any event not later than 16 months after the end of the fiscal quarter in which the filing of the Prospectus pursuant to Rule 424 occurs, an earnings statement (in form complying with the provisions of Section 11(a) of the Securities Act, which need not be certified by independent public accountants) covering a period of twelve months beginning not later than the first day of the Company's fiscal quarter next following the filing of the Prospectus pursuant to Rule 424.

(d) The Company will use commercially reasonable efforts promptly to do and perform all things to be done and performed by it hereunder prior to the Closing Date and to satisfy all conditions precedent to the delivery by it of the Securities.

(e) As soon as reasonably possible after the Closing Date, the Company will cause the Seventy-sixth Supplemental Indenture to be recorded in all recording offices in the States of North Carolina and South Carolina in which the property intended to be subject to the lien of the Mortgage is located.

(f) The Company will advise the Representative, or the Representative's counsel, promptly of the filing of the Prospectus pursuant to Rule 424 and of any amendment or supplement to the Prospectus or Registration Statement or of official notice of institution of proceedings for, or the entry of, a stop order suspending the effectiveness of the Registration Statement and, if such a stop order should be entered, use commercially reasonable efforts to obtain the prompt removal thereof.

(g) If at any time when Securities remain unsold by the Underwriters, the Company receives from the Commission a notice pursuant to Rule 401(g)(2) of the Securities Act or otherwise ceases to be eligible to use the automatic shelf registration statement form, the Company will (i) promptly notify the Representatives, (ii) promptly file a new registration statement or post-effective amendment on the proper form relating to the Securities, in a form reasonably satisfactory to the Representatives, or take such other action, after consultation with counsel, as the Company believes is appropriate, (iii) use commercially reasonable efforts to cause any new registration statement or post-effective amendment that may be filed pursuant to clause (ii) above, to be declared effective and (iv) promptly notify the Representatives of any such effectiveness. The Company will take all other commercially reasonable action as it deems appropriate to permit the public offering and sale of the Securities to continue as contemplated in the registration statement that was subject of the Rule 401(g)(2) notice or for which the Company has otherwise become ineligible. References herein to the Registration Statement shall include such new registration statement or post-effective amendment, as the case may be.

(h) The Company will use commercially reasonable efforts to qualify the Securities, as may be required, for offer and sale under the Blue Sky or legal investment laws of such jurisdictions as the Representative may designate and will file and make in each year such statements or reports as are or may be reasonably required by the laws of such jurisdictions; *provided, however*, that the Company shall not be required to qualify as a foreign corporation or dealer in securities, or to file any general consents to service of process, under the laws of any jurisdiction.

(i) Prior to the termination of the offering of the Securities, the Company will not file any amendment to the Registration Statement or supplement to the Pricing Prospectus or the Prospectus which shall not have previously been furnished to the Representative or of which the Representative shall not previously have been advised or to which the Representative shall reasonably object in writing and which has not been approved by the Underwriter(s) or their counsel acting on behalf of the Underwriters.

8. Payment of Expenses. The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (a) the printing and filing of the Registration Statement and the printing of this Agreement, (b) the delivery of the Securities to the Underwriters, (c) the fees and disbursements of the Company's counsel and accountants, (d) the expenses in connection with the qualification of the Securities under securities laws in accordance with the provisions of paragraph 7(g) hereof, including filing fees and the fees and disbursements of counsel for the Underwriters in connection therewith, such fees and disbursements not to exceed \$7,500, (e) the printing and delivery to the Underwriters of copies of the Registration Statement and all amendments thereto, the Preliminary Prospectus, any Permitted Free Writing Prospectus and the Prospectus and any amendments or supplements thereto, (f) the printing and delivery to the Underwriters of copies of the Blue Sky Survey and (g) the preparation, execution, filing and recording by the Company of the Seventy-sixth Supplemental Indenture (such filing and recordation to be promptly made after execution and delivery thereof to the Trustees under the Mortgage in the counties in which the mortgaged property of the Company is located); and the Company will pay all taxes, if any (but not including any transfer taxes), on the issue of the Securities and the filing and recordation of the Seventy-sixth Supplemental Indenture. The fees and disbursements of Underwriters' counsel shall be paid by the Underwriters (subject, however, to the provisions of this paragraph 8 requiring payment by the Company of fees and disbursements not to exceed \$7,500); provided, however, that if this Agreement is terminated in accordance with the provisions of paragraph 9, 10 or 12 hereof, the Company shall reimburse the Representative for the account of the Underwriters for the fees and disbursements of Underwriters' counsel. The Company shall not be required to pay any amount for any expenses of the Representative or of any other of the Underwriters except as provided in paragraph 7 hereof and in this paragraph 8. The Company shall not in any event be liable to any of the Underwriters for damages on account of the loss of anticipated profit.

9. Conditions of Underwriters' Obligations. The several obligations of the Underwriters to purchase and pay for the Securities shall be subject to the accuracy of the representations and warranties on the part of the Company as of the date hereof and the Closing Date, to the performance by the Company of its obligations to be performed hereunder prior to the Closing Date, and to the following further conditions:

(a) No stop order suspending the effectiveness of the Registration Statement shall be in effect on the Closing Date and no proceedings for that purpose shall be pending before, or, to the Company's knowledge, threatened by, the Commission on the Closing Date and no notice from the Commission pursuant to Rule 401(g)(2) of the Securities Act shall have been received by the Company. The Representative shall have received, prior to payment for the Securities, a certificate dated the Closing Date and signed by the Chairman, President, Treasurer or a Vice President of the Company to the effect that no such stop order is in effect, that no proceedings for such purpose are pending before or, to the knowledge of the Company, threatened by the Commission and no notice from the Commission pursuant to Rule 401(g)(2) of the Securities Act has been received by the Company.

(b) At the time of execution of this Agreement, or such later date as shall have been consented to by the Representative, there shall have been issued, and on the Closing

Date there shall be in full force and effect, orders of the North Carolina Utilities Commission and the Public Service Commission of South Carolina authorizing the issuance and sale of the Securities, none of which shall contain any provision unacceptable to the Representative by reason of its being materially adverse to the Company (it being understood that no such order in effect on the date of this Agreement and heretofore furnished to the Representative or counsel for the Underwriters contains any such unacceptable provision).

(c) At the Closing Date, the Representative shall receive favorable opinions, and, with respect to clauses (vii) and (viii), assurance statements, from: (1) Hunton & Williams LLP, counsel to the Company, which opinions or assurance statements, as the case may be, shall be satisfactory in form and substance to counsel for the Underwriters, and (2) Dewey & LeBoeuf LLP, counsel for the Underwriters, in each of which opinions (except Hunton & Williams LLP as to matters of North Carolina law and except as to subdivisions (v) as to which Dewey & LeBoeuf LLP need express no opinion) said counsel may rely as to all matters of North Carolina and South Carolina law upon the opinions of David B. Fountain, Esq., Vice President — Legal of Progress Energy Service Company LLC, acting as counsel to the Company, and Nelson, Mullins, Riley & Scarborough, L.L.P., respectively, to the effect that:

(i) The Mortgage has been duly and validly authorized by all necessary corporate action (with this opinion only required in the opinions of Hunton & Williams LLP and Dewey & LeBoeuf LLP as to the supplemental indentures subsequent to the Sixty-fourth Supplemental Indenture), has been duly and validly executed and delivered by the Company (with this opinion required in the Hunton & Williams LLP and Dewey & LeBoeuf LLP opinions only as to the Seventy-sixth Supplemental Indenture), and is a valid and binding mortgage of the Company enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws affecting mortgagees' and other creditors' rights and general equitable principles and any implied covenant of good faith and fair dealing (with this opinion only required in the opinions of Hunton & Williams LLP and Dewey & LeBoeuf LLP as to the supplemental indentures subsequent to the Sixty-fourth Supplemental Indenture); *provided, however*, that certain remedies, waivers and other provisions of the Mortgage may not be enforceable, but such unenforceability will not render the Mortgage invalid as a whole or affect the judicial enforcement of (A) the obligation of the Company to repay the principal, together with the interest thereon as provided in the Securities or (B) the right of the Trustees to exercise their right to foreclose under the Mortgage;

(ii) The Mortgage has been duly qualified under the 1939 Act;

(iii) Assuming authentication of the Securities by the Trustee in accordance with the Mortgage and delivery of the Securities to and payment for the Securities by the Underwriters, as provided in this Agreement, the Securities have been duly and validly authorized, executed and delivered and are legal, valid and binding obligations of the Company enforceable in accordance with their

terms, except as limited by bankruptcy, insolvency or other laws affecting mortgagees' and other creditors' rights and general equitable principles and any implied covenant of good faith and fair dealings, and are entitled to the benefits of the security afforded by the Mortgage, and are secured equally and ratably with all other bonds outstanding under the Mortgage except insofar as any sinking or other fund may afford additional security for the bonds of any particular series;

(iv) The statements made in the Basic Prospectus under the caption "Description of First Mortgage Bonds" and in the Pricing Prospectus under the captions "Certain Terms of the Bonds" and "Description of First Mortgage Bonds," insofar as they purport to constitute summaries of the documents referred to therein, are accurate summaries in all material respects;

(v) The statements made in the Pricing Prospectus and the Prospectus under the caption "Material U.S. Federal Tax Considerations," insofar as they purport to constitute summaries of matters of U.S. federal income tax law or legal conclusions with respect thereto, are accurate and complete in all material respects;

(vi) This Agreement has been duly and validly authorized, executed and delivered by the Company;

(vii) The Registration Statement, at each time and date it was declared, or is deemed to have become, effective by the Commission, and the Pricing Disclosure Package and the Prospectus, as of their respective dates (except as to the financial statements and schedules and notes thereto or other financial, numerical, accounting, statistical or quantitative information (or the assumptions with respect thereto) included or incorporated by reference therein or excluded therefrom and that part of the Registration Statement that constitutes the Statements of Eligibility on Form T-1 and Form T-2 upon which such opinions need not pass), appeared on their face to respond in all material respects to the requirements of the Securities Act and the 1939 Act and the applicable instructions, rules and regulations of the Commission thereunder; and the documents or portions thereof filed with the Commission pursuant to the Exchange Act and deemed to be incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Pricing Prospectus and the Prospectus pursuant to Item 12 of Form S-3 (except as to financial statements and schedules and notes thereto or other financial, numerical, accounting, statistical or quantitative information (or the assumptions with respect thereto) included or incorporated by reference therein or excluded therefrom and that part of the Registration Statement that constitutes the Statements of Eligibility on Form T-1 and Form T-2, upon which such opinions need not pass), at the time each was filed with the Commission, appeared on their face to respond in all material respects to the requirements of the Exchange Act and the applicable instructions, rules and regulations of the Commission thereunder; the Registration Statement has become effective under the Securities Act and, such counsel has been verbally advised by the staff of the Commission that no stop order suspending the

effectiveness of the Registration Statement has been issued and not withdrawn, and no proceedings for a stop order with respect thereto have been instituted by the Commission; and

(viii) Nothing has come to the attention of said counsel that would lead them to believe that the Registration Statement, at each time and date it was declared, or is deemed to have become, effective by the Commission, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and nothing has come to the attention of said counsel that would lead them to believe that (x) the Pricing Disclosure Package, as of the Applicable Time, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading or (y) the Prospectus, as of its date and, as amended or supplemented, at the Closing Date, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except as to financial statements, schedules and notes thereto or other financial, numerical, accounting, statistical or quantitative information (or the assumptions with respect thereto) included or incorporated by reference therein or excluded therefrom and that part of the Registration Statement that constitutes the Statements of Eligibility on Form T-1 and Form T-2, upon which such opinions need not pass).

(d) At the Closing Date, the Representative shall receive from David B. Fountain, Esq., Vice President — Legal of Progress Energy Service Company, LLC, acting as counsel to the Company, a favorable opinion in form and substance satisfactory to counsel for the Underwriters, to the same effect with respect to the matters enumerated in subdivisions (i), (iii), (vi) and (viii) of subparagraph (c) of this paragraph 9 as the opinions required by said subparagraph (c), and to the further effect that:

(i) The Company is a validly organized and existing corporation under the laws of the State of North Carolina and is in good standing under the laws of the State of North Carolina and is duly qualified to do business in the State of South Carolina;

(ii) The Company is duly authorized by its Charter to conduct the business that it is now conducting as set forth in the Pricing Disclosure Package and the Prospectus;

(iii) The Company has valid and subsisting franchises, licenses and permits adequate for the conduct of its business, except where the failure to hold such franchises, licenses and permits would not have a material adverse effect on the business, properties, results of operations or financial condition of the Company;

(iv) The Company has good and marketable title, with minor exceptions, restrictions and reservations in conveyances, and defects that are of the nature ordinarily found in properties of similar character and magnitude and that, in his opinion, will not in any substantial way impair the security afforded by the Mortgage, to all the properties described in the granting clauses of the Mortgage and upon which the Mortgage purports to create a lien, except certain rights-of-way over private property on which are located transmission and distribution lines formerly owned by the Tide Water Power Company (merged into the Company on February 29, 1952), title to which can be perfected by condemnation proceedings. The description in the Mortgage of the above-mentioned properties (including those formerly owned by Tide Water Power Company) is legally sufficient to constitute the Mortgage a lien upon said properties, including without limitation properties hereafter acquired by the Company (other than those expressly excepted and reserved therefrom). Said properties constitute substantially all the permanent physical properties and franchises (other than those expressly excepted and reserved therefrom) of the Company and are held by the Company free and clear of all liens and encumbrances except the lien of the Mortgage and Excepted Encumbrances, as defined in the Mortgage. The properties of the Company are subject to liens for current taxes, which it is the practice of the Company to pay regularly and when due. The Company has followed the practice generally of acquiring (A) certain rights-of-way and easements and certain small parcels of fee property appurtenant thereto and for use in conjunction therewith and (B) certain other properties of small or inconsequential value, without an examination of title and, as to the title to lands affected by said rights-of-way and easements, of not examining the title of the lessor or grantor whenever the lands affected by such rights-of-way and easements are not of such substantial value as in the opinion of the Company to justify the expense attendant upon examination of titles in connection therewith. In the opinion of said counsel, such practice of the Company is consistent with sound economic practice and with the method followed by other companies engaged in the same business and is reasonably adequate to assure the Company of good and marketable title to all such property acquired by it. It is the opinion of said counsel that any such conditions or defects as may be covered by the above recited exceptions are not, except as to certain rights-of-way on which are located transmission lines acquired from Tide Water Power Company, substantial and would not materially interfere with the Company's use of such properties or with its business operations. The Company has the right of eminent domain in the States of North Carolina and South Carolina under which it may, if necessary, perfect or obtain title to privately owned land or acquire easements or rights-of-way required for use or used by the Company in its public utility operations;

(v) The Company's Mortgage and Deed of Trust dated as of May 1, 1940 and the First through Seventy-fifth Supplemental Indentures thereto have been filed for record both as a real estate mortgage and as a chattel mortgage or security interest in all counties in the States of North Carolina and South Carolina in which any of the property described in the Mortgage as subject thereunder to

the lien thereof is located; and the Seventy-sixth Supplemental Indenture relating to the Securities is in proper form for filing for record both as a real estate mortgage and as a security interest in all counties in the States of North Carolina and South Carolina in which any of the property described therein or in the Mortgage as subject to the lien of the Mortgage is located. By virtue of filing financing statements with the Offices of the Secretaries of State of North Carolina and South Carolina, the Trustees have a perfected security interest in that portion of the collateral described therein to which Article 9 of the Uniform Commercial Code of North Carolina or South Carolina is applicable and in which a security interest is perfected by the central filing of a financing statement to perfect a security interest in collateral of a transmitting utility under the UCC;

(vi) The Mortgage constitutes a valid, direct and first mortgage lien of record upon all franchises and properties now owned by the Company (other than those expressly excepted therefrom and other than those franchises and properties which are not, individually or in the aggregate, material to the Company or the security afforded by the Mortgage) situated in the States of North Carolina and South Carolina, as described or referred to in the granting clauses of the Mortgage, subject to the exceptions as to bankruptcy, insolvency and other laws stated in subdivision (i) of subparagraph (c) above;

(vii) The issuance and sale of the Securities have been duly authorized by all necessary corporate action on the part of the Company;

(viii) Orders have been entered by the North Carolina Utilities Commission and the Public Service Commission of South Carolina authorizing the issuance and sale of the Securities, and to the best of the knowledge of said counsel, said orders are still in force and effect; and no further filing with, approval, authorization, consent or other order of any public board or body (except such as have been obtained under the Securities Act and as may be required under the state securities or Blue Sky laws of any jurisdiction) is legally required for the consummation of the transactions contemplated in this Agreement;

(ix) Except as described in or contemplated by the Pricing Disclosure Package and the Prospectus, there are no pending actions, suits or proceedings (regulatory or otherwise) against the Company or any properties that are likely, in the aggregate, to result in any material adverse change in the business, properties, results of operations or financial condition of the Company or that are likely, in the aggregate, to materially and adversely affect the Mortgage, the Securities or the consummation of this Agreement, or the transactions contemplated herein or therein; and

(x) The consummation of the transactions herein contemplated and the fulfillment of the terms hereof will not (A) result in a breach of any of the terms or provisions of, or constitute a default under, the Charter or the Company's by-laws or (B) result in a breach of any terms or provisions of, or constitute a default

under, any applicable law, or any indenture, mortgage, deed of trust or other material agreement or instrument to which the Company is now a party or any judgment, order, writ or decree of any government or governmental authority or agency or court having jurisdiction over the Company or any of its assets, properties or operations that, in the case of any such breach or default, would have a material adverse effect on business, properties, results of operations or financial condition of the Company.

In said opinion such counsel may rely as to all matters of South Carolina law on the opinion of Nelson, Mullins, Riley & Scarborough, L.L.P.

(e) At the Closing Date, the Representative shall receive from Nelson, Mullins, Riley & Scarborough, L.L.P., Columbia, South Carolina, a favorable opinion in form and substance satisfactory to counsel for the Underwriters, to the effect that:

(i) The Company conducts its South Carolina retail operations subject to the jurisdiction of the South Carolina Public Service Commission pursuant to South Carolina Code Annotated, Sections 58-27-10 et seq. (1976 as amended);

(ii) The Company is duly qualified to transact business in the State of South Carolina;

(iii) The Company's Mortgage and Deed of Trust dated as of May 1, 1940, and the First through the Seventy-fifth Supplemental Indentures thereto, have been recorded and filed in such manner and in such places as may be required by law, in the State of South Carolina, in order to fully preserve and protect the security of the bondholders and all rights of the Trustees thereunder. By virtue of filing financing statements with the Offices of the Secretaries of State of North Carolina and South Carolina, the Trustees have a perfected security interest in that portion of the collateral described therein to which Article 9 of the Uniform Commercial Code of North Carolina or South Carolina is applicable and in which a security interest is perfected by the central filing of a financing statement to perfect a security interest in collateral of a transmitting utility under the UCC;

(iv) The Seventy-sixth Supplemental Indenture relating to the Securities is in the proper form for the filing as a real estate mortgage and a security agreement in all counties in the State of South Carolina where the Mortgage is filed and the Seventy-sixth Supplemental Indenture is to be filed and upon such filing creates a lien and/or security interest in that property located within such counties that is described in the Mortgage or in the Seventy-sixth Supplemental Indenture as being subject to the lien of the Mortgage (except that property which has been expressly excepted from the lien in the Seventy-sixth Supplemental Indenture and the Mortgage, as heretofore supplemented); and

(v) Said counsel has reviewed the opinion letter of even date therewith addressed to you by David B. Fountain, Esq., Vice President — Legal of Progress

Energy Service Company, LLC, and said counsel concurs in the opinions which Mr. Fountain has expressed therein insofar as they relate to the laws of the State of South Carolina.

(f) The Representative shall have received on the date hereof and shall receive on the Closing Date from Deloitte & Touche LLP a letter addressed to the Representative, on behalf of the Underwriters, containing statements and information of the type ordinarily included in accountants' SAS 72 "comfort letters" to underwriters with respect to the audit reports, financial statements and certain financial information contained in or incorporated by reference into the Pricing Prospectus and the Prospectus.

(g) At the Closing Date, the Representative shall receive a certificate of the Chairman, President, Treasurer or a Vice President of the Company, dated the Closing Date, to the effect that the representations and warranties of the Company in this Agreement are true and correct as of the Closing Date.

(h) Any Permitted Free Writing Prospectus, and any other material required pursuant to Rule 433(d) under the Securities Act, shall have been filed by the Company with the Commission within the applicable time periods prescribed by Rule 433.

(i) All legal proceedings taken in connection with the sale and delivery of the Securities shall have been satisfactory in form and substance to counsel for the Underwriters, and the Company, as of the Closing Date, shall be in compliance with any governing orders of the North Carolina Utilities Commission and the Public Service Commission of South Carolina, except where the failure to comply with such orders would not be material to the offering or validity of the Securities.

In case any of the conditions specified above in this paragraph 9 shall not have been fulfilled or waived by 2:00 P.M. on the Closing Date, this Agreement may be terminated by the Representative by delivering written notice thereof to the Company. Any such termination shall be without liability of any party to any other party except as otherwise provided in paragraphs 7 and 8 hereof.

10. Conditions of the Company's Obligations. The obligations of the Company to deliver the Securities shall be subject to the following conditions:

(a) No stop order suspending the effectiveness of the Registration Statement shall be in effect on the Closing Date, and no proceedings for that purpose shall be pending before or threatened by the Commission on the Closing Date.

(b) Prior to 12:00 Noon, New York time, on the day following the date of this Agreement, or such later date as shall have been consented to by the Company, there shall have been issued and on the Closing Date there shall be in full force and effect orders of the North Carolina Utilities Commission and the Public Service Commission of South Carolina authorizing the issuance and sale by the Company of the Securities, none of which shall not contain any provision unacceptable to the Company by reason of its being materially adverse to the Company (it being understood that no such order in effect as of the date of this Agreement contains any such unacceptable provision).

In case any of the conditions specified in this paragraph 10 shall not have been fulfilled at the Closing Date, this Agreement may be terminated by the Company by delivering written notice thereof to the Representative. Any such termination shall be without liability of any party to any other party except as otherwise provided in paragraphs 7 and 8 hereof.

11. Indemnification.

(a) The Company agrees to indemnify and hold harmless each Underwriter, each officer and director of each Underwriter and each person who controls any Underwriter within the meaning of Section 15 of the Securities Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject and to reimburse each such Underwriter, each such officer and director, and each such controlling person for any legal or other expenses (including to the extent hereinafter provided, reasonable counsel fees) incurred by them, when and as incurred, in connection with investigating any such losses, claims, damages or liabilities or in connection with defending any actions, insofar as such losses, claims, damages, liabilities, expenses or actions arise out of or are based upon any untrue statement, or alleged untrue statement, of a material fact contained in the Registration Statement, the Pricing Disclosure Package or the Prospectus, or in the Registration Statement or Prospectus as amended or supplemented (if any amendments or supplements thereto shall have been furnished), or in any free writing prospectus used by the Company, or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that the indemnity agreement contained in this paragraph 11 shall not apply to any such losses, claims, damages, liabilities, expenses or actions arising out of or based upon any such untrue statement or alleged untrue statement, or any such omission or alleged omission, if such statement or omission was made in reliance upon and in conformity with information furnished herein or in writing to the Company by any Underwriter through the Representative expressly for use in the Registration Statement, the Pricing Disclosure Package or the Prospectus, or any amendment or supplement to any thereof, or any free writing prospectus used by the Company, or arising out of, or based upon, statements in or omissions from that part of the Registration Statement that shall constitute the Statements of Eligibility under the 1939 Act (Form T-1 and Form T-2) of the Trustees. The indemnity agreement of the Company contained in this paragraph 11 and the representations and warranties of the Company contained in paragraph 3 hereof shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any Underwriter, and such officer or director or any such controlling person and shall survive the delivery of the Securities. The Underwriters agree to notify promptly the Company, and each other Underwriter, of the commencement of any litigation or proceedings against them or any of them, or any such officer or director or any such controlling person, in connection with the sale of the Securities.

(b) Each Underwriter severally, and not jointly, agrees to indemnify and hold harmless the Company, its officers who signed the Registration Statement and its directors, and each person who controls the Company within the meaning of Section 15 of the Securities Act, against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject and to reimburse each of them

for any legal or other expenses (including, to the extent hereinafter provided, reasonable counsel fees) incurred by them, when and as incurred, in connection with investigating any such losses, claims, damages, or liabilities, or in connection with defending any actions, insofar as such losses, claims, damages, liabilities, expenses or actions arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Pricing Disclosure Package, the Prospectus as amended or supplemented (if any amendments or supplements thereto shall have been furnished), or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, if such statement or omission was made in reliance upon and in conformity with information furnished herein or in writing to the Company by such Underwriter or through the Representative on behalf of such Underwriter expressly for use in the Registration Statement or the Pricing Disclosure Package or any amendment or supplement to any thereof. The indemnity agreement of all the respective Underwriters contained in this paragraph 11 shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Company or any other Underwriter, or any such officer or director or any such controlling person, and shall survive the delivery of the Securities. The Company agrees promptly to notify the Representative of the commencement of any litigation or proceedings against the Company or any of its officers or directors, or any such controlling person, in connection with the sale of the Securities.

(c) The Company and each of the Underwriters agree that, upon the receipt of notice of the commencement of any action against it, its officers or directors, or any person controlling it as aforesaid, in respect of which indemnity may be sought on account of any indemnity agreement contained herein, it will promptly give written notice of the commencement thereof to the party or parties against whom indemnity shall be sought hereunder. The Company and each of the Underwriters agree that the notification required by the preceding sentence shall be a material term of this Agreement. The omission so to notify such indemnifying party or parties of any such action shall relieve such indemnifying party or parties from any liability that it or they may have to the indemnified party on account of any indemnity agreement contained herein if such indemnifying party was materially prejudiced by such omission, but shall not relieve such indemnifying party or parties from any liability that it or they may have to the indemnified party otherwise than on account of such indemnity agreement. In case such notice of any such action shall be so given, such indemnifying party shall be entitled to participate at its own expense in the defense or, if it so elects, to assume (in conjunction with any other indemnifying parties) the defense of such action, in which event such defense shall be conducted by counsel chosen by such indemnifying party (or parties) and satisfactory to the indemnified party or parties who shall be defendant or defendants in such action, and such defendant or defendants shall bear the fees and expenses of any additional counsel retained by them; but if the indemnifying party shall elect not to assume the defense of such action, such indemnifying parties will reimburse such indemnified party or parties for the reasonable fees and expenses of any counsel retained by them, as such expenses are incurred; provided, however, if the defendants (including any impleaded parties) in any such action include both the indemnified party and the indemnifying party, and counsel for the indemnified party shall have concluded,

in its reasonable judgment, that there may be a conflict of interest involved in the representation by such counsel of both the indemnifying party and the indemnified party, the indemnified party or parties shall have the right to select separate counsel, satisfactory to the indemnifying party, to participate in the defense of such action on behalf of such indemnified party or parties (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to one local counsel) representing the indemnified parties who are parties to such action). Each of the Company and the several Underwriters agrees that without the other party's prior written consent, which consent shall not be unreasonably withheld, it will not settle, compromise or consent to the entry of any judgment in any claim in respect of which indemnification may be sought under the indemnification provisions of this Agreement, unless such settlement, compromise or consent includes an unconditional release of such other party from all liability arising out of such claim.

(d) If the indemnification provided for in subparagraphs (a) or (b) above is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions that resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total underwriting discount received by the Underwriters, in each case as set forth on the cover of the Prospectus, bear to the aggregate initial public offering price of the Securities as set forth on such cover. The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subparagraph (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to above in this subparagraph (d). The rights of contribution contained in this Section 11 shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any Underwriter of the Company and shall survive delivery of the Securities. No person guilty of fraudulent misrepresentation (within the meaning of

Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this subparagraph (d), each officer and director of each Underwriter and each person, if any, who controls an Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company. The Underwriters' respective obligations to contribute pursuant to this subparagraph (d) are several in proportion to the principal amount of Securities set forth opposite their respective names in Schedule II hereto and not joint.

(e) For purposes of this paragraph 11, it is understood and agreed that the only information provided by the Underwriters expressly for use in the Registration Statement and the Pricing Disclosure Package (other than information that may be separately provided by Mitsubishi UFJ Securities International plc) were the following parts of the Preliminary Prospectus section titled "Underwriting": the second, third and fourth sentences of the second paragraph, the third sentence of the third paragraph and all of the fourth paragraph.

12. Termination Date of this Agreement. This Agreement may be terminated by the Representative at any time prior to the Closing Date by delivering written notice thereof to the Company, if on or after the date of this Agreement but prior to such time (a) there shall have occurred any general suspension of trading in securities on The New York Stock Exchange, or there shall have been established by The New York Stock Exchange or by the Commission or by any federal or state agency or by the decision of any court, any limitation on prices for such trading or any restrictions on the distribution of securities or (b) there shall have occurred any new outbreak of hostilities including, but not limited to, significant escalation of hostilities that existed prior to the date of this Agreement, or any national or international calamity or crisis, or any material adverse change in the financial markets of the United States, the effect of which outbreak, escalation, calamity or crisis, or material adverse change on the financial markets of the United States shall be such as to make it impracticable, in the reasonable judgment of the Representative, for the Underwriters to enforce contracts for the sale of the Securities, or (c) the Company shall have sustained a substantial loss by fire, flood, accident or other calamity that renders it impracticable, in the reasonable judgment of the Representative, to consummate the sale of the Securities and the delivery of the Securities by the several Underwriters at the initial public offering price, or (d) there shall have been any downgrading or any notice of any intended or potential downgrading in the rating accorded the Company's securities by any "nationally recognized statistical rating organization" as that term is defined by the Commission for the purposes of Securities Act Rule 436(g)(2), or any such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of the Securities, or any of the Company's other outstanding debt, the effect of which in the reasonable judgment of the Representative, makes it impracticable or inadvisable to consummate the sale of the Securities and the delivery of the Securities by the several Underwriters at the initial public offering price or (e) there shall have been declared, by either federal or New York authorities, a general banking moratorium. This Agreement may also be terminated at any time

prior to the Closing Date if in the reasonable judgment of the Representative the subject matter of any amendment or supplement to the Registration Statement, the Preliminary Prospectus or Prospectus (other than an amendment or supplement relating solely to the activity of any Underwriter or Underwriters) filed after the execution of this Agreement shall have materially impaired the marketability of the Securities. Any termination hereof pursuant to this paragraph 12 shall be without liability of any party to any other party except as otherwise provided in paragraphs 7 and 8.

13. Miscellaneous. The validity and interpretation of this Agreement shall be governed by the laws of the State of New York. Unless otherwise specified, time of day refers to New York City time. This Agreement shall inure to the benefit of, and be binding upon, the Company, the several Underwriters, and with respect to the provisions of paragraph 11 hereof, the officers and directors and each controlling person referred to in paragraph 11 hereof, and their respective successors. Nothing in this Agreement is intended or shall be construed to give to any other person, firm or corporation any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. The term "successors" as used in this Agreement shall not include any purchaser, as such purchaser, of any of the Securities from any of the several Underwriters.

15. Notices.
